IT IS RECOMMENDED THAT YOUR BOARD:

- 1. Delegate authority to the Director of the Department of Public Social Services (DPSS) to prepare and execute a contract, substantially similar to the enclosed contract, with the Los Angeles County Office of Education (LACOE), effective July 1, 2007 at a maximum total contract amount of \$71,604,640 for a two-year period with three additional one-year renewals to provide Job Readiness and Career Planning Services (Orientation and Job Club Services) to participants of the Department's Greater Avenues for Independence (GAIN) Program. - 2. Delegate authority to the Director of DPSS to prepare and sign amendments to the contract that result in a cumulative decrease or increase of no more than ten percent of the original contract maximum either (1) when the change is necessitated by additional and necessary services that are required in order to comply with changes in federal, State, or County requirements, or (2) to add services to participants of the County's Refugee Employment Program.

The approval of County Counsel and the Chief Administrative Office (CAO) will be obtained prior to executing such amendments, and the DPSS Director will notify the CAO in writing within ten business days after execution.

The Honorable Board of Supervisors June 12, 2007 Page 2

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of this contract will allow DPSS to continue to provide Job Readiness and Career Planning Services to its GAIN participants. These services include Orientation and Job Club services that provide GAIN participants with the tools, skills, information and resources to enable them to overcome barriers and find work through their own efforts. These services assist individuals to move from welfare dependency to self-sufficiency. LACOE will provide services to approximately 11,000 GAIN participants each year.

Services are currently being provided by LACOE to GAIN participants through a contract that commenced July 1, 2002 and will expire on June 30, 2007. During the term of the current contract, LACOE has consistently adapted to program changes and requirements, met the contractual requirements and exceeded the performance expectation of placing 20 percent of participants into full-time employment. For Fiscal Year 2005-06, LACOE's average full-time placement rate was 28 percent.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the principles of the Countywide Strategic Plan Goal #5: Improve the well-being of children and families in Los Angeles County, Strategy #2: Enhance the ability of families to achieve self-sufficiency and economic well-being.

FISCAL IMPACT/FINANCING

The maximum total amount for this contract for the two-year contract term is \$28,196,456. The total amount for the three additional one-year renewals is \$43,408,184. The total maximum amount for the five-year period is \$71,604,640. Funding for this contract is included in the DPSS' Fiscal Year 2007-08 Proposed Budget. Funding for future years will be included in the Department's budget requests. There is no additional Net County Cost impact after the required CalWORKs Maintenance of Effort is met.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The award of this contract will not result in unauthorized disclosure of confidential information and will be in full compliance with federal, State and County regulations.

The contract allows the Director of DPSS to prepare and sign amendments to the contract that result in a decrease or increase of no more than ten percent of the contract maximum and are needed (1) to comply with changes in federal, State, or County requirements or (2) to add services to participants of the County's Refugee Employment Program.

The Honorable Board of Supervisors June 12, 2007 Page 3

The Living Wage Ordinance does not apply because the recommended contract is a non-Prop A contract.

The contract has been approved as to form by County Counsel.

CONTRACTING PROCESS

The recommended contract was procured in accordance with Title 45, Code of Federal Regulations, Part 74, and California Department of Social Services Operations Manual (Section 23-650.1.12,) which allows for non-competitive contracting with public education agencies.

The regulations generally require that the contract term does not exceed three years. DPSS requested and received permission from CDSS to include three additional one-year renewals beyond the initial two-year term at the discretion of the Director of DPSS.

CONTRACT PERFORMANCE

The monitoring of this contract is performed on a quarterly basis. The expected performance outcome is that participants receive the tools, skills, useful information and resources to enable them to overcome barriers and find work through their own efforts. The current Contract requires that LACOE maintain a full-time Job Placement rate of at least 20 percent.

During the term of the current contract, LACOE has consistently met the contractual requirements and provided effective and sufficient Orientation sessions and Job Club classes. For Fiscal Year 2005-06, LACOE's average full-time placement rate was 28 percent of participants who began Job Club. The last monitoring for the period of January 1, 2007 through March 31, 2007 was completed in May 2007. Overall, the contractor was in compliance with the contract requirements.

DPSS contract monitors perform on-site observations of Orientation sessions and Job Club classes, interview participants and LACOE's instructors at all Job Club sites to ensure that participants are satisfied with the services and the instructors follow the specified schedule as well as cover all the program areas stated in the contract.

DPSS monitors also review case files and reconcile Job Placement data provided by LACOE against County's GAIN Employment Activity and Reporting System data to ensure that the contractor met the Job Placement contractual requirements.

Several changes to the Statement of Work are aimed at meeting new work related activity requirements implemented by the reauthorization of Temporary Assistance to Needed Families. The minimum full-time Job Placement rate was increased from 20 to 30 percent for Fiscal Year 2007-08 and increases each year up to 40 percent in the fifth and final year.

The Honorable Board of Supervisors June 12, 2007 Page 4

Two performance measures have been added to track participation by GAIN participants:

- 1. The percent of participants scheduled who show for the first day of Job Club.
- 2. The percent of participants who begin Job Club that complete Job Club.

The minimum rate for both is 50 percent. The contract contains a provision for liquidated damages if the performance standards are not met.

IMPACT ON CURRENT SERVICES

The contract will allow the continuation of Job Readiness and Career Planning services in Los Angeles County for GAIN participants.

CONCLUSION

Upon Board approval, the Executive Officer, Board of Supervisors, is requested to return one adopted stamped Board letter to the Director of DPSS and one adopted stamped copy to:

Office of the County Counsel Social Services Division Attn: David Beaudet 500 West Temple Street, Suite #602 Los Angeles, CA 90012

- **8.41.4** This Sub-paragraph shall not, in any manner, restrict or limit the COUNTY's right to damages for any breach of this Contract provided by law or as specified in the PRS or **Sub-Section 8.41.2**, and shall not, in any manner, restrict or limit the COUNTY's right to terminate this Contract as agreed to herein.

8.42 NONDISCRIMINATION IN EMPLOYMENT

CONTRACTOR shall comply with all laws and regulations as defined in Equal Employment Opportunity EEO (*U.S. Executive Order 11246* and amended by *U.S. Executive Order 11375* and Supplemented in *Department of Labor Regulations, 41 CFR, Part 60*).

CONTRACTOR certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies, are and will be treated equally by it without regard to or because of race, color, national origin, ancestry, religion, sex, marital status, political affiliation, age, or condition of disability, in compliance with all applicable federal and State anti-discrimination laws and regulations.

CONTRACTOR shall ensure that EEO and State-approved Civil Rights posters, "Equal Under the Law," are posted in all the CONTRACTOR's facilities, where they are easily accessible to the CONTRACTOR's employees.

- **8.42.1** CONTRACTOR shall take affirmative action to ensure that applicants are employed, and employees are treated equally during employment, without regard to race, color, religion, ancestry, national origin, sex, age, condition of disability, marital status, or political affiliation. Such action shall include, but is not limited to the following: Employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
- **8.42.2** CONTRACTOR shall deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, condition of disability, marital status, or political affiliation.
- **8.42.3** CONTRACTOR shall allow COUNTY representatives access to its employment records during regular business hours to verify compliance with the provisions of this Section 8.41 when so requested by the COUNTY.
- 8.42.4 CONTRACTOR shall not discriminate against any employee, or applicant for employment on the basis of race, national origin or ancestry, religion, sex, marital status, political affiliation, age or condition of disability. Practices in hiring, compensation, benefits, and firing are among the employment practices subject to this requirement.

8.42.5 If COUNTY finds that any of the above provisions have been violated, the same shall constitute a material breach of contract upon which COUNTY may determine to cancel, terminate, or suspend this Contract.

While COUNTY reserves the right to determine independently that the Equal Employment Opportunity (EEO) provisions of the Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the CONTRACTOR has violated State or Federal EEO laws or regulations shall constitute a finding by the COUNTY that the CONTRACTOR has violated the EEO provisions of this Contract.

8.42.6 The parties agree that in the event the CONTRACTOR violates the EEO provisions of this Contract, the COUNTY shall, at its option, be entitled to a sum of five hundred dollars (\$500.00) pursuant to *California Civil Code, Section 1671*, as liquidated damages in lieu of canceling, terminating or suspending this Contract.

8.42.7 The CONTRACTOR shall sign **Exhibit C - Contractor's EEO Certification**.

COUNTY shall not require CONTRACTOR to provide any technical information that is proprietary to it, except as is requested by COUNTY to successfully complete the services under the Contract.
- 8.47.2 COUNTY shall not require CONTRACTOR to provide any information that is proprietary to it; provided, however, that if COUNTY requests CONTRACTOR proprietary information in order to successfully complete the services under this Contract, CONTRACTOR shall mark such information "PROPRIETARY" and COUNTY shall limit reproduction and distribution to the minimum extent consistent with COUNTY's need for such information, and, when COUNTY no longer needs such information, but in no event later than expiration or other termination of this Contract, COUNTY shall either (1) cause all copies of such information to be returned to CONTRACTOR, or (2) certify to CONTRACTOR that all copies of such information have been destroyed.

8.48 RECORDS

The CONTRACTOR shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The CONTRACTOR shall also maintain accurate and complete employment and other records relating to the performance of this Contract, books, records, documents and other evidence, and accounting procedures and practices sufficient to support all claims for payment made by the CONTRACTOR to the COUNTY. accordance with **Section 8.49 Record Retention and Inspection**, herein below.

8.49 RECORD RETENTION AND INSPECTION

8.49.1 The CONTRACTOR agrees that the COUNTY, State and federal representatives or any duly authorized representatives thereof, shall, at any reasonable time, have access to and the right to examine, monitor, audit, excerpt, copy or transcribe any pertinent transaction, activity, time cards, or other records relating to this Contract at no cost to the COUNTY.

COUNTY reserves the right to conduct record inspection and audits with no advance notification to CONTRACTOR when certain extenuating circumstances exist such as allegations of fraud or abuse.

All such material, including, but not limited to, all financial records, timecards, other employment records, all pertinent costs, accounting, financial records and proprietary data and information, shall be kept and maintained by the CONTRACTOR and shall be made available to the COUNTY during the term of this Contract and for a period of five (5) years thereafter. - **8.49.2** The COUNTY, its Auditor-Controller or designee, hereby retains the right to conduct, during normal business hours, an audit and re-audit of the books, records, and business conducted by the accuracy of the above records and any of the CONTRACTOR's invoices for services provided can be confirmed.
 - 8.49.2.1 All such material shall be maintained by the CONTRACTOR in a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the COUNTY's option, the CONTRACTOR either (1) pay the COUNTY for travel, per diem, and other costs incurred by the COUNTY to examine, audit, excerpt, copy or transcribe such material at such other location, or (2) pay to have such materials promptly returned to a CONTRACTOR facility located in Los Angeles County for examination by the COUNTY.

8.49.2.2 Failure on the part of the CONTRACTOR to comply with the provisions of **Section 8.49 Record Retention and Inspection** shall constitute a material breach of this Contract upon which the COUNTY may terminate or suspend this Contract.

8.50 RECYCLED BOND PAPER

Consistent with the Los Angeles County Board of Supervisors' policy to reduce the amount of solid waste deposited at the COUNTY landfills, the CONTRACTOR agrees to use recycled-content paper to the maximum extent possible on the Project.

8.51 REMOVAL OF UNSATISFACTORY PERSONNEL

The COUNTY shall have the right, at its sole discretion to require the CONTRACTOR to remove any employee from the performance of services under this Contract for unsatisfactory performance or any other job-related cause. At the request of the COUNTY, the CONTRACTOR shall immediately replace said personnel.

8.52 RULES AND REGULATIONS

During the time that the CONTRACTOR's employees or agents are at the COUNTY facilities or off-site work locations, such persons shall be subject to the rules and regulations of the COUNTY facilities. It is the responsibility of the CONTRACTOR to acquaint such persons who are to provide services hereunder with such rules and regulations.

CONTRACTOR shall remove and replace any of its employees from the provision of services hereunder within forty-eight (48) hours of receipt of written notice from the Director that (1) such employee has violated such rules or regulations; or (2) such employee's actions, while on COUNTY premises, indicate that the employee may adversely affect the delivery of services. Upon removal of any employee, CONTRACTOR shall immediately replace the employee and continue services hereunder.

8.53 SHRED DOCUMENTS

CONTRACTOR shall ensure that all confidential documents/papers, as defined under State law (including but not limited to Welfare & Institution Code Sections 10850, 17006) relating to this Contract must be shredded and not put in trash containers when CONTRACTOR disposes of these documents/papers.

All documents/papers to be shredded are to be placed in a locked or secured container/bin/box and labeled "shred" until they are destroyed. No confidential documents/papers are to be recycled.

Documents for record and retention purposes in accordance with **Sub-Section 8.49.1** of this Contract are to be maintained for a period of five (5) years.

8.54 SUBCONTRACTING

8.54.1 No performance of this Contract or any portion thereof may be subcontracted by the CONTRACTOR without the express written consent of the COUNTY. This written consent shall be provided by way of amendment executed by the DPSS Director pursuant to **Section 8.7** (Changes and Amendments of Terms).

Any attempt by the CONTRACTOR to subcontract any performance of the terms of this Contract without the express written consent of the COUNTY shall be null and void and shall constitute a breach of the terms of the Contract. In the event of such a breach, the Contract may be terminated forthwith. The COUNTY's determination of whether to approve the CONTRACTOR's request to subcontract shall be completely within the discretion of the COUNTY.

8.54.2 Subcontracts shall be made in the name of the CONTRACTOR and shall not bind nor purport to bind the COUNTY. The making of subcontracts hereunder shall not relieve the CONTRACTOR of any requirement under the Contract, including, but not limited to, the duty to properly supervise and coordinate the work of subcontractors.

Approval of the provisions of any subcontract by the COUNTY shall not be construed to constitute a determination of the allowability of any cost under the Contract.

In no event shall approval of any subcontract by the COUNTY be construed as affecting any increase in the amount provided for in the Contract. The CONTRACTOR's request for approval to enter into a subcontract shall include:

8.54.2.1 A description of the service to be provided by the proposed subcontractor;

- 8.54.2.2 Identification of the proposed subcontractor and an explanation of why and how it was selected, including the degree of competition obtained;
- 8.54.2.3 An indication of whether the proposed subcontractor's firm is a minority, women-owned, disadvantaged, or disabled veteran business enterprise;
- 8.54.2.4 A resume of the potential subcontractor's background and experience; and
- 8.54.2.5 A copy of the proposed subcontract.
- **8.54.3** In the event that the COUNTY should consent to subcontracting, the CONTRACTOR shall include, in all subcontracts, the following provision: "This Contract is a subcontract under the terms of a prime contract with the County of Los Angeles. All representations and warranties shall inure to the benefit of the County of Los Angeles."
- **8.54.4** Subcontracts shall comply with Section 604 of the California Department of Social Services Manual of Policies and Procedures (MPP).
- **8.54.5** When required by State regulations, subcontracts shall be advertised, competitively bid and evaluated in a manner that will meet the California Department of Social Services Manual of Policies and Procedures (MPP), Sections 23-610 through 23-615.

8.55 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of CONTRACTOR to maintain compliance with the requirements set forth in **Section 8.26 Contractor's Warranty of Adherence to County's Child Support Compliance Program**, shall constitute a default by CONTRACTOR under this Contract.

Without limiting the rights and remedies available to COUNTY under any other provision of this Contract, failure to cure such default within ninety (90) calendar days of notice by the Los Angeles County Child Support Services Department shall be grounds upon which the County Board of Supervisors may terminate this Contract pursuant to **Section 8.57 Termination for Default of the Contractor.**

8.56 TERMINATION FOR CONVENIENCE OF THE COUNTY

- 8.56.1 Performance of services under this Contract may be terminated by the COUNTY, in whole or in part, when such action is deemed by the COUNTY to be in its best interest. Termination of work shall be effected by delivery to the CONTRACTOR of a thirty (30) calendar-day, prior written Notice of Termination. The Notice of Termination shall specify the extent to which performance of work is terminated and the date upon which such termination becomes effective.
- **8.56.2** If, during the term of this Contract, the COUNTY funds appropriated for the purposes of this Contract are reduced or eliminated, COUNTY may immediately terminate this Contract upon written notice to the CONTRACTOR.
- **8.56.3** After receipt of the Notice of Termination and except as otherwise directed by the COUNTY, the CONTRACTOR shall:
 - 8.56.3.1 Immediately stop services under this Contract on the date and to the extent specified in the Notice of Termination.
 - 8.56.3.2 Complete performance of such part of the work as shall not have been terminated by the Notice of Termination.
- **8.56.4** After receipt of a Notice of Termination, the CONTRACTOR shall submit to the COUNTY, in the form and with the certifications as may be prescribed by the COUNTY, its termination claim and invoice. Such claim and invoice shall be submitted promptly, but not later than three (3) months from the effective date of termination.

Upon failure of the CONTRACTOR to submit its termination claim and invoice within the time allowed, the COUNTY may determine, on the basis of information available to the COUNTY, the amount, if any, due to the CONTRACTOR in respect to the termination and such determination shall be final. After such determination is made, the COUNTY shall pay the CONTRACTOR the amount so determined.

8.56.5 Upon termination of this Contract, the CONTRACTOR shall deliver to the COUNTY all work completed or in progress, including all data, reports and deliverables within ten (10) business days after termination of this Contract.

- **8.56.6** Upon termination of this Contract, the CONTRACTOR shall comply with the provisions of **Section 8.49**, **Record Retention and Inspection**, herein above.
- **8.56.7** Subject to the provisions of **Sub-Section 8.56.4**, the COUNTY and the CONTRACTOR shall negotiate an equitable amount to be paid to the CONTRACTOR by reason of the total or partial termination of work pursuant to this **Section 8.56 Termination** for **Convenience of the County**.

Said amount may include a reasonable allowance for overhead on work done but shall not include an allowance on work terminated.

The COUNTY shall pay the agreed amount, subject to other limitations and provided that such amount shall not exceed the total funding obligated under this Contract, as reduced by the amount of payments otherwise made and as further reduced by the Contract price of work not terminated.

8.57 TERMINATION FOR DEFAULT OF THE CONTRACTOR

- **8.57.1** The COUNTY may, by written notice to the CONTRACTOR, terminate the whole or any part of this Contract in any one of the following circumstances:
 - 8.57.1.1 Contractor has materially breached this Contract;
 - 8.57.1.2 CONTRACTOR fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
 - 8.57.1.3 CONTRACTOR fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the COUNTY may authorize in writing) after receipt of written notice from the COUNTY specifying such failure.
- **8.57.2** In the event the COUNTY terminates this Contract in whole or in part as provided in **Sub-Section 8.57.1**, the COUNTY may procure, upon such terms and in such manner as the COUNTY may deem appropriate, goods and services similar to those so terminated. The CONTRACTOR shall be liable to the COUNTY

for any and all excess costs incurred by the COUNTY, as determined by the COUNTY, for such similar goods and services.

The CONTRACTOR shall continue the performance of this Contract to the extent not terminated under the provisions of this **Sub-Section**.

8.57.3 Except with respect to defaults of any Subcontractor, the CONTRACTOR shall not be liable for any such excess costs of the type identified in **Sub-Section 8.57.2** if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the CONTRACTOR.

Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the COUNTY in either its sovereign or contractual capacity, acts of federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the CONTRACTOR.

If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the CONTRACTOR and Subcontractor, and without the fault or negligence of either of them, the CONTRACTOR shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the CONTRACTOR to meet the required performance schedule.

As used in this **Sub-Section 8.57.3**, the terms "Subcontractor" and "Subcontractors" mean Subcontractor(s) at any tier.

8.57.4 If, after the COUNTY has given notice of termination under the provisions of Section 8.57 Termination for Default of the Contractor, it is determined by the COUNTY that the CONTRACTOR was not in default under the provisions of this Section 8.57 or that the default was excusable under the provisions of Sub-Section 8.57.3, the rights and obligations of the parties shall be the same as if the Notice of Termination had been issued pursuant to Section 8.56, Termination For Convenience of the COUNTY.

8.57.5 The rights and remedies of the COUNTY provided in **Section 8.57 Termination for Default of the Contractor** shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.58 TERMINATION FOR IMPROPER CONSIDERATION

The COUNTY may, by written notice to the CONTRACTOR, 8.58.1 immediately terminate the right of the CONTRACTOR to proceed under this Contract if it is found that consideration, in any form, was offered or given by the CONTRACTOR, either directly or through an intermediary, to any COUNTY officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment or extension of this Contract or the making of any determinations respect the CONTRACTOR's with to performance pursuant to this Contract.

In the event of such termination, the COUNTY shall be entitled to pursue the same remedies against the CONTRACTOR as it could pursue in the event of default by the CONTRACTOR.

- **8.58.2** The CONTRACTOR shall immediately report any attempt by a COUNTY officer or employee to solicit such improper consideration. The report shall be made either to the COUNTY manager charged with the supervision of the employee or to the COUNTY Auditor-Controller's employee Fraud Hotline at (213) 974-0914 or (800) 544-6861.
- **8.58.3** Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.59 <u>TERMINATION FOR INSOLVENCY</u>

- **8.59.1** The COUNTY may terminate this Contract forthwith in the event of the occurrence of any of the following:
 - A. Insolvency of the CONTRACTOR. The CONTRACTOR shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the federal Bankruptcy Code and whether or not the CONTRACTOR is insolvent within the means of the Federal Bankruptcy Code:

- **B.** The filing if a voluntary or involuntary petition regarding the CONTRACTOR under the federal Bankruptcy Code;
- **C.** The appointment of a Receiver or Trustee for the CONTRACTOR; or
- **D.** The execution by the CONTRACTOR of a general assignment for the benefit of creditors.
- **8.59.2** The rights and remedies of the COUNTY provided in **Section 8.59 Termination for Insolvency** shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.60 <u>TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST</u> ORDINANCE

CONTRACTOR, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.150.010 retained by the CONTRACTOR, shall fully comply with the COUNTY's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the CONTRACTOR or any County Lobbyist or County Lobbying firm retained by the CONTRACTOR to fully comply with the COUNTY's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the COUNTY may in its sole discretion, immediately terminate or suspend this Contract.

8.61 TERMINATION FOR NON-APPROPRIATION OF FUNDS

The COUNTY's obligation is payable only from funds appropriated for the purpose of this Contract. All funds for payments after the end of the current Fiscal Year are subject to federal, State or COUNTY's legislative appropriation for this purpose. In the event this Contract extends into succeeding Fiscal Year periods and the Board of Supervisors or the State or federal Legislature does not allocate sufficient funds for the next succeeding Fiscal Year payments, services shall automatically be terminated as of the end of the then current Fiscal Year.

The COUNTY shall make a good faith effort to notify the CONTRACTOR, in writing, of such non-appropriation at the earliest time.

8.62 TIMELY COMPLETION

Time is of the essence in the provision and completion of the work provided to COUNTY as stipulated in this Contract, as is the timely

conveyance of reporting deliverables to COUNTY, as also stipulated in this Contract.

8.63 TRADE SECRETS

Recognizing that the COUNTY has no way to safeguard trade secrets or proprietary information, the CONTRACTOR shall hold the COUNTY harmless from all damages, costs, and expenses by reason of any disclosure by the COUNTY of trade secrets and proprietary information.

8.64 VALIDITY

The invalidity, in whole or in part, of any provision of this Contract shall not void or affect the validity of any other provision.

8.65 <u>VERBAL DISCUSSIONS</u>

The Contractor Manager, or alternate, designated in writing to act in the CONTRACTOR's behalf, shall be available to respond to the COUNTY's verbal inquiries within twenty-four (24) hours.

8.66 WAIVER

No waiver of a breach of any provision of this Contract by the COUNTY will constitute a waiver of any other breach of said provision or any other provision of this Contract. Failure of the COUNTY to enforce, at any time or from time to time, any provision of this Contract, shall not be construed as a waiver thereof. No waiver shall be enforced unless said waiver is set forth in writing.

8.67 WARRANTY

The CONTRACTOR warrants that all services performed hereunder will comply with **Exhibit A - Statement of Work**, any specifications related thereto, and that all such services shall be performed in accordance with the ordinary skill and care observed in the industry by those knowledgeable, trained and experienced in rendering similar services at the time such services are performed.

The CONTRACTOR shall, within twenty-four (24) hours after oral or written notice from the COUNTY, correct any and all defects, deficiencies, errors or omissions in services rendered to the COUNTY. The correction of such defects, deficiencies, errors or omissions shall be at no cost to the COUNTY.

PREAMBLE

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

Responsiveness

Integrity

Professionalism

Commitment

Accountability

A Can-Do Attitude

Compassion

Respect for Diversity

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and the County Strategic Plan's eight goals:

- 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness;
- 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services;
- 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ▼ Families receive services tailored to their unique situations and needs.
- Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, familyfocused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.

- County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, economic well-being, safety and survival, emotional and social well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strength-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following *Customer Service And Satisfaction Standards* in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name;

TECHNICAL EXHIBIT 1 PERFORMANCE REQUIREMENTS SUMMARY

TECHNICAL EXHIBIT 1

PERFORMANCE REQUIREMENTS SUMMARY

1 <u>INTRODUCTION</u>

Technical Exhibit 1 lists the required services which will be monitored by the COUNTY during the term of this Contract. It indicates the required services, the Standards of Performance, the maximum deviation from Standard before service will be determined to be unsatisfactory, the COUNTY's preferred method of monitoring, and the deduction which may be made from Contract payment if the service is not satisfactorily provided.

All listings of "required service" or "Standard" used in this Performance Requirements Summary (PRS) are intended to be completely consistent with this Contract and Exhibit A, Statement of Work, and are not meant in any case to create, extend, revise, or expand any obligation of CONTRACTOR beyond that defined in this Contract and Exhibit A.

In any case of apparent inconsistency between required services or Standards as stated in the Contract and **Exhibit A** and this **PRS**, the meaning apparent in the Contract and **Exhibit A** will prevail. If any required service or Standard seems to be created in this **PRS** which is not clearly and forthrightly set forth in the Contract or **Exhibit A**, that apparent required service or Standard will be null and void and place no requirement on CONTRACTOR and will not be the basis of the assignment of any penalties.

The COUNTY expects a high Standard of CONTRACTOR performance. DPSS will work with the CONTRACTOR to resolve any areas of difficulty brought to the attention of the County Contract Administrator by the CONTRACTOR before the allowable deviation from acceptable Standard should occur. However, it is the CONTRACTOR's responsibility to provide the services set forth in the **Exhibit A**, Statement of Work, and summarized in the **PRS**.

2 PERFORMANCE REQUIREMENTS SUMMARY CHART

The Performance Requirements Summary Chart (Technical Exhibit 1A):

- **2.1** Provides the Section or Paragraph where referenced (Column 1 of chart).
- 2.2 Defines the Standards of Performance for each required service (Column 2 of chart).

- 2.3 Shows the maximum allowable degree of deviation from perfect performance or Acceptable Quality Level (AQL) for each required service that is allowed before the COUNTY assesses liquidated damages (Column 3 of chart).
- **2.4** Indicates the method of monitoring the services (Column 4 of chart).
- 2.5 Indicates the penalties/fees to be assessed for exceeding the AQL, for each listed Contract requirement (Column 5 of chart). These may serve as baseline for assessing liquidated damages.

3 **QUALITY ASSURANCE**

Each month of service, the CONTRACTOR's performance will be compared to this Contract's Standards and AQL's using the Quality Assurance Monitoring Plan (QAMP). The COUNTY may use a variety of inspection methods to evaluate the CONTRACTOR's performance. The methods of monitoring that may be used are:

- 3.1 Random sampling [for random sample tables/methods to be used, refer to book entitled "Handbook of Sampling for Auditing and Accounting" (second edition) by Herbert Arkin];
- One hundred percent inspection of items, such as reports and invoices, on a periodic basis (daily, weekly, monthly, quarterly, semi-annually or annually) as determined necessary to assure a sufficient evaluation of CONTRACTOR performance;
- **3.3** Review of reports and files maintained by the CONTRACTOR; and
- **3.4** On-site evaluations.

4 CONTRACT DISCREPANCY REPORT (CDR)

Performance of a required service is considered acceptable when the number of discrepancies found during contract monitoring procedures does not exceed the number of discrepancies allowed by the AQL.

When the performance is unacceptable, the CONTRACTOR shall be required to respond within ten (10) workdays, to a Contract Discrepancy Report (CDR). The CDR will require the CONTRACTOR to explain, in writing, the reasons for such unacceptable performance, how performance will be returned to an acceptable level, and how recurrence of the problem will be prevented. The County Contract Administrator (CCA) will evaluate the CONTRACTOR's explanation and determine if any financial penalties will be assessed. The CDR is at the end of this exhibit as **Technical Exhibit 2 (Contract Discrepancy Report).**

5 CRITERIA FOR ACCEPTABLE OR UNACCEPTABLE PERFORMANCE

Determination of the Number of Defects that Renders a Service Unsatisfactory

The sample is selected at random so that it will be representative of the entire population. It is compared to the Standard, and conclusions are made about CONTRACTOR performance for the whole group. The random sampling plan includes the following information:

- **5.1** Acceptable Quality Level (AQL) The maximum percent of defects that can be accepted and still meets this Contract's Standard for satisfactory performance;
- **5.2 Lot Size** the total number of units or services to be provided monthly;
- **Sample Size** the number of units or services to be checked for a given time period; and
- **5.4 Acceptance/Rejection Numbers** the numbers which indicate whether the lot is acceptable or unacceptable.

The *AQL* for each sampling is taken from the PRS. The lot size is determined by how often the CONTRACTOR will provide a service during the month. To ensure each service has an equal chance of being selected, a random number table is used to determine the sample.

6 REMEDY OF DEFECTS

Notwithstanding a finding of unsatisfactory service and assessment of Liquidated Damages, the CONTRACTOR must, within ten (10) workdays, remedy any and all defects in the provision of CONTRACTOR's services and, as deemed necessary by the CCA, perform such services again at an acceptable level.

7 UNSATISFACTORY PERFORMANCE REMEDIES

When the CONTRACTOR performance does not conform to the requirements of this Contract, the COUNTY will have the option to apply the following nonperformance remedies:

7.1 Require CONTRACTOR to implement a formal corrective action plan, subject to approval by the COUNTY. In the plan, the CONTRACTOR must include reasons for the unacceptable performance, specific steps to return performance to an acceptable level, and monitoring methods to prevent recurrence.

- **7.2** Reduce payment to CONTRACTOR by a computed amount based on the liquidated damages in the PRS Chart.
- **7.3** Reduce, suspend or cancel this Contract for systematic, deliberate misrepresentations or unacceptable levels of performance.
- 7.4 Failure of the CONTRACTOR to comply with or satisfy the request(s) for improvement of performance or to perform the neglected work specified within ten (10) workdays shall constitute authorization for the COUNTY to have the service(s) performed by others. The entire cost of such work performed by others as a consequence of the CONTRACTOR's failure to perform said service(s), as determined by the COUNTY, shall be credited to the COUNTY on the CONTRACTOR's future invoice. This section does not preclude the COUNTY's right to terminate any resultant contract upon thirty (30) days written notice with or without cause, as provided for in Section 8.56, Termination for Convenience of the COUNTY.

LONG TERM FAMILY SELF-SUFFICIENCY PROJECT #1

PROMOTING SELF-SUSTAINING EMPLOYMENT

The heart of family self-sufficiency involves earning a sufficient income to not be in poverty and not be dependent on government cash assistance. These proposals are based on the most current national Welfare-to-Work research literature and the Welfare-to-Work experience in Los Angeles County. They build on the success of the current GAIN Program, while embodying a more individualized approach to helping CalWORKs participants' secure self-sustaining employment.

1. Name of Service/Activity: CalWORKs Welfare-to-Work Strategy

2 Lead County Agency: Public Social Services

, , ,

3

Description:

The current CalWORKs Welfare-to-Work Program is very successful in helping participants secure entry-level jobs; however, many participants have been unable to move up to self-sustaining employment. This proposal builds on the success of the current GAIN Program, while seeking to more effectively link preemployment and post-employment services through a more individualized approach to the combination of work, education, and training.

A. <u>Career Planning and Preparation Seminar</u>

Following the one-day Orientation, participants would engage in a one-week Career Planning and Preparation Seminar for the purpose of developing a career goal which would guide the participant's initial job search and enrollment in any education/training in conjunction with employment. Various education and training providers, including Workforce Investment Boards, other Welfare-to-Work Grantees, Community Colleges, Adult Schools, and Regional Occupational Centers and Programs, would be available during the seminar to help participants develop a long-term path towards securing a career.

B. Enhanced Appraisal

During the Career Planning and Preparation Seminar, participants would engage in an appraisal of their interests and skills which would be combined with labor market information regarding available jobs and career opportunities to develop the participant's career goal and related job search strategy.

C. Targeted Initial Job Search

Participants would initially look for work which either pays a living wage, as defined in the County Code, and/or is in a targeted occupation/industry with documented potential to lead to living-wage employment. Targeted occupations/industries would include those identified through the "Strategic Information and Technical Assistance to Support Targeted Job Creation", which is currently under development. Depending on the individual participant's appraisal and career goal, this targeted initial job search could include part-time employment coupled with education/training as well as full-time employment.

D. <u>Part-time Work with Educational/Training</u>

Pursuant to the individual participant's career goal and generally following the "Targeted Initial Job Search" described above, many participants will be encouraged to look for part-time work to be combined with education/training. The appropriate education/training would be determined before the search for part-time employment, so that such part-time employment could be coordinated with education/training.

INSTRUCTIONS TO BE READ TO PARTICIPANTS

Write your name, and today's date, which is											
The	GAIN	Services	Worker's	number	will	be	completed	by	the	Community	Activities

L.A. GAIN will give you lots of help to find a job. Although we haven't worked with most of you yet in completing job applications, we would like you to try out a little exercise for us. Don't think of this as a test, but as beginning practice in completing a job application.

For this exercise, pretend you are a job-seeker named Joyce or James Rodgers and you are being asked to fill out a practice job application form.

All of the information that you will need to complete the application is in the story. Use only this information to complete the practice job application.

If you want to change your response use the eraser, but make sure that your answer is written clearly.

If you have a problem completing the application for any reason, for example vision or reading problems, do the best you can anyway.

You will be asked to stop in 15 minutes.

EXHIBIT G JURY SERVICE ORDINANCE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies.

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

- **A**. "Contractor" means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more such contracts or subcontracts.
- **B**. "Employee" means any California resident who is a full-time employee of a contractor under the laws of California.
- C. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:

 - 2. A contract where federal or state law or a condition of a federal or state program mandates the use of a particular contractor; or
 - 3. A purchase made through a state or federal contract; or
 - 4. A monopoly purchase that is exclusive and proprietary to a specific manufacturer, distributor, or reseller, and must match and inter-member with existing supplies, equipment or systems maintained by the county pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, section P-3700 or a successor provision; or
 - 5. A revolving fund (petty cash) purchase pursuant to the Los Angeles County Fiscal Manual, section 4.4.0 or a successor provision; or
 - 6. A purchase card pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, section P-2810 or a successor provision; or

2.203.090. Severability.

If a court of competent jurisdiction finds any provision of this chapter invalid, the remaining provisions shall remain in full force and effect.

EXHIBIT H SAFELY SURRENDERED BABY LAW FACT SHEET

Certainly we would prefer that women seek help while they are pregnant, not after giving birth, to receive proper medical care and counseling. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their bables to safe hands in a hospital emergency room.

The California Safely Surrendered Baby Law:

Allows a distressed birth parent(s) to legally, confidentially, and safely surrender their baby

Provides a safe place for babies

Protects the parent(s) from arrest or prosecution for abandonment as long as the baby has not been abused or neglected

Does not require that names be given when the baby is surrendered

Permits parents to bring a baby within 3 days of birth to any hospital emergency room in California

> In California, no one ever has to abandon a child again.

State of California Gray Davis, Governor

Health and Human Services Agency Grantland Johnson, Secretary

Department of Social Services

Rita Saenz, Director

FUE 400 (8/02)

no shame. no blame. no names.

now there's a way to safely surrender your baby

What is the Safely Surrendered Baby Law?

It's a new law. Under this law, a person may surrender their baby confidentially. As long as the baby has not been abused or neglected, the person may do so without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for an infant can legally, confidentially and safely surrender their baby within 3 days of birth. All that is required is that the baby be brought to a hospital emergency room in California. If there are additional places, they will be listed on the back of this brochure. As long as the child shows no signs of abuse or neglect, no name or other information is required. A bracelet will be placed on the baby for identification. A matching bracelet will be given to the parent. The bracelet will help connect the parent to the baby if the parent wants the baby back.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows another person to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week.

Does a parent have to tell anything to the people taking the baby?

No. Nothing is required. However, hospital personnel will give the parent a medical information questionnaire that is designed to gather family medical history. This could be very useful in caring for the child but it is up to the parent to complete it.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a foster or pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

What if a parent wants the baby back?

The parent(s) may take the bracelet back to the hospital. Hospital personnel will provide information about the baby.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being hurt or killed because they were abandoned.

You may have heard tragic stories of bables left in dumpsters or public toilets. The persons who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants.

Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

The Eighteenth Safely Surrendered Baby in California

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law.

This baby was the eighteenth child protected under California's Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed in a foster home for short-term care while the adoption process was started.

Every baby deserves a chance for a healthy life.

If you or someone you know is considering
giving up a child, learn about your options.

EXHIBIT M INTERNAL REVENUE SERVICE NOTICE 1015

Notice 1015

(Rev. December 2006)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2006 are less than \$38,348 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2007.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from the IRS website at www.irs.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2006 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2006 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2006 and owes no tax but is eligible for a credit of \$824, he or she must file a 2006 tax return to get the \$824 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2007 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.
